

Baby Care Kit

Accra, Ghana

Delivery Kit

Everything a street-connected young mother needs once her baby is born

Being dependent on the streets for your survival is daunting for anyone. For young women who are pregnant, the situation is even worse.

This Baby Care Kit can provide a young pregnant woman with everything her baby needs when born! From clothes to nappies, the mother and her baby will receive the items and the support they need to ensure both are safe, healthy and have a bright future.
